COME EXPLORE WITH US!

The newly formed Activities Committee is off and running. At the recent Potluck supper, members voted informally for the activities that most interested them. The Committee has put together events for the coming months that are open to all members. Activities are free and registration is required for some of them. [Please check the website for more information.](#) Thanks to Debbie D'Isabel, Margi Delafield and Nancy Barbour for kicking things off. The goal of the committee is to build engagement and build community through a series

of ongoing activities within the Six Ponds neighborhood.

The Potluck Dinner Recap (April 6th)

A great crowd filled the barn at the Wildlands Trust headquarters recently to share a friendly evening with neighbors and good food. Local musician David Buckman played music, Six Ponds VP Debbie D'Isabel introduced the new [Activities Committee](#), and newly elected [MA State Rep for 1st Plymouth District Michelle Badger](#) spoke about her experiences and priorities. It was a lovely evening and we encourage you to join the next potluck dinner, which is also the **Six Ponds Annual Meeting) on Sunday, June 29th at the Barn, WLT.**
