ATTENTION!

PUBLIC MEETING CONCERNING VITAL INTERSECTION ROAD WORKS

When: TOMORROW THURSDAY MARCH 6, 4:30pm

Where: Plymouth South Middle School, 488 Long Pond Rd.

Why: The developer A.D. Makepeace (Redbrook) and their contractor (Lawrence Lynch Corp.), along with Town of Plymouth officials, will be

holding a **public outreach session** regarding the intersection upgrade work at Long Pond Road/Halfway Pond Road. The meeting will mostly serve to discuss details of the upcoming project (tentative scheduling, impacts of the project, etc.)

Our Six Ponds neighborhood is seriously impacted by these road works, and it is important we are there to express our concerns and fully understand the schedule. Needless to say, traffic will be a headache during the construction; however it will be a much safer intersection when it is completed.
